SUBJECT: 48th DOMINION CONVENTION

Dear Comrade;

On 30 March 2021 the Dominion Executive Council called an emergency session to evaluate the feasibility of hosting the 48th Dominion Convention in Saskatoon, SK. Based on the predictive factors associated with the current pandemic, the restrictions imposed for the required convention facilities and the safety of Legion members, a decision was made to cancel the current arrangements in Saskatoon for 2021. As there is a requirement for a Dominion Convention to be conducted within three years it was decided to conduct the 48th Dominion Convention virtually this **August**.

On **13 - 15 August 2021**, delegates from Legion branches across Canada, Europe and the USA will gather on-line to develop the policies and direction that will guide our way into the future. Included in this information package are the Convention Call which includes:

- Information for delegates; and
- The 2021 convention program.

It is realized that conducting a convention virtually will pose a challenge to many of our members however with current technology and the ease of the process we are confident that the tools provided will lead us to success. Therefore I urge you to read the attached Convention Call and use the information and contacts provided to help you adapt to the requirements of this new format.

The past 18 months have tested our resolve as Legionaires making the business of convention even more important in providing the roadmap ahead. The success of this event will be in the participation and resolve of those who attend and form a stepping stone when we can again meet each other on the convention floor in 2024 in Saint John, NB.

Yours fraternally,

Steven Clark
National Executive Director
