

Branch 62 Winter Market

The Peninsula Legion is looking to open a winter market on Saturday mornings. The market will ideally run during the months that the Kingston Farmers market is closed, and be a spot for your Saturday morning breakfast and local shopping.

We are also inviting community groups and sports teams to volunteer with us for a week, in exchange for tips from breakfast and a portion of the 50/50 as a fundraiser for their group.

We need to establish a list of vendors and volunteers in order to get started in the next month or two. If you would be interested in having a table, or volunteering

please email leonard.michelle90@gmail.com, or call/text
